

SMART SCHOOL MANAGEMENT

Students Must Submit Holiday Homework by Upcoming Monday Deadline

All students are reminded to submit their holiday homework by the upcoming Monday deadline. Timely submission is mandatory and will be considered in the overall academic assessment. Students must ensure that all assigned subjects are completed neatly and correctly. Late submissions may result in reduced marks or disciplinary action as per school policy. Please check with your respective subject teachers for any clarifications or last-minute guidance. Parents are also encouraged to support and supervise their children in completing the work. Let's meet the deadline responsibly and start the new academic period with discipline and dedication.
